CALLAWAY CATTLE COMPANY

13th Annual

AFFORDA**BULL**SALE

We would like to welcome you to the 13th Annual AFFORDABULL and female sale on 11/22/2025.

What a time to take advantage of these prices! When I was growing up in the 50's, our goal was to sell a 500 pound calf for \$0.20 per pound...or a \$100 bill! I sure wish Dad was alive to see these calves bringing \$2000 right off the cow at the sale barn.

There has never been a better time to cash in those old, big bulls that will fetch \$4-5000 for slaughter. The same holds true for those old cows with feet problems and bad udders as well as the ones that always wean the lightest calves. Replace them with some quality genetics. I emphasize QUALITY. It will be more important than ever in the future.

Most of our bulls in the sale will be SimAngus™, both high and low percentages. However, this year, we are offering Angus and Red Angus that will suit the most discriminating cow man.

The new consigners this year are:

The Barber family from Donalsonville, GA

The Boyett family from Glennville, GA

The Lance family from Madison, GA

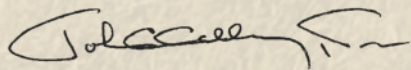

Billy Moss from Maysville, GA

I have been knowing all these folks for a long time and they are good cattle people, along with previous consigners Clay Allen and Jessie Driggers. I think Clay has brought females to every sale we have had since the first one and he thinks this is the best group he has ever consigned. They should make great additions to anyone's herd.

At the request of some customers, the sale will be broadcast live on Live Auctions TV. For questions on how to bid, please contact Shelly Burden at shelly@liveauctions.tv. She will be glad to help. If you are not able to go online but you want to bid absentee, contact any of the consigners.

The cattle will be on display and ready for viewing all day Friday, the day before the sale. We invite you to join us Friday evening for BBQ brisket, prepared by Lowell and Lisa Kissinger, and for lunch on sale day.

If you would like to see any of the cattle between now and the sale, just call and we will be glad to accommodate your visit. We hope to see you on November 22nd.

TERMS AND CONDITIONS

All bulls sell under the terms and conditions of their respective breed associations. We guarantee all bulls sold in this sale to be fertile in the first breeding season if they have been given proper care. If a bull fails to settle cows during the first breeding season, we will provide a satisfactory replacement if one is available, or issue a credit, less salvage value toward next year's sale. If there is a problem, we would ask to be notified as soon as possible. This is not a life insurance policy. We would suggest that proper care and nutrition be provided to these animals.

WINTER CARE

If you are not ready to take your bull(s) at sale time, we offer a Winter Care Program for \$4 per day. There will be no guarantee against injury or death other than we assure you that the care of the bulls will be to the best of our ability. We recommend that you protect your investment with insurance. All bulls can be kept free of charge until December 1, 2025, with the daily charge rate beginning this date.

LIABILITY

All persons attending the sale do so at their own risk. Callaway Cattle Co. assumes no liability for property damage or accidents that may occur.
