

The 11th Annual

PLATINUM ALLIANCE

All Breed Bull & Female Sale

12 Noon CST

December 6, 2025

Tennessee Tech University

Hyder-Burks Pavilion

Cookeville, Tennessee

www.PlatinumAllianceBulls.com

Welcome to the 11th Annual Platinum Alliance Bull and Female Sale!

We have an excellent offering of bulls and females for you on December 6th. The cattle will be available for viewing on video in mid-November at www.platinumalliancebulls.com, and in person on Friday afternoon December 5th. These cattle are great quality, and from herds that are productive with good health programs. The cattle are pictured for you in their working clothes, and are ready to perform in your program.

All the mature cattle will be dewormed, double vaccinated for respiratory diseases, colostridium, vibriosis, leptos., have 840 EID tags, and negative testing for PI-BVD and Johnes. All bred females will be pregnancy checked, and all bulls will have passed a BSE, and any non-virgin bulls will have a negative Trich. test. Some of the bulls already have Genomic EPDs, and we have several others that will have results back by sale day. There will be a floor price of \$3500 on all bulls and \$2500 on all females. Many of these bulls and females qualify for TAEP, and are a great investment for you. Please check the webpage www.platinumalliancebulls.com for updates, more pictures, and videos. We hope to see you the first week of December, but if you are unable to attend online bidding is available thru www.kemmerauctioneers.com website. Please feel free to give us a call with any questions.

Thank you for your interest!

Trucking

Truckers believed to be reliable will be available to assist you in shipping your purchases.

EPDs

All EPDs were current as of November 1st.

Terms & conditions

All cattle sell under the suggested terms and conditions of the respective breed association in which they are registered. Registration papers will be transferred at the seller's expense. Buyers must provide name and address for transfer. Animals cataloged as "commercial" are not registered with any breed registry; therefore, buyers will not receive registration.

Herd health

All cattle will be accompanied by proper health certificates for immediate interstate shipment. All cattle have been tested negative for PI-BVD & Johnes and sell current on vaccinations and dewormed. All service age bulls will have passed a breeding soundness exam and are guaranteed satisfactory breeders.

Liability

All persons attending this sale do so at their own risk, legal or otherwise, in regards to their general safety and the behavior of the animals. No individual nor group or entity associated with cattle ownership, the sale management, sale staff, sale site, nor the university assumes any liability for any personal harm, property loss or damage, or injury from any cause, including but not limited to accidents, act of violence, or natural disaster.

This bull has been my favorite Jackson son since he was born. His Epic dam has a perfect udder, and is a beautiful cow that did a great job with her first calf. He has a soft look about his front and midsection, but that is followed by a big square hip. The extra bone and framework says he should make great replacement females and growthy bull calves that could be money making feeders or herd sires themselves.

Rebel is a TJ War Paint son out of an impressive All-Around female. We have been using All-Around for over 10 years now, and I hate to say there are only a few straws left in the tank. This is a stout bull on a medium frame that's backed by some of the best in the breed. He will be a great asset to any herd.

Most cows around here don't go by names, but Itsy does! She was born 5 weeks early and weighed about 25 lbs (the ASA database will only take 40+), but she was tough and had plenty of want to. She matured into a nice moderate framed cow that will wean well over half her body weight. Ignore the numbers here, there's plenty of performance here. She has a black bull calf at side born 9/23/25 at 74 lbs by Advantage.

We love the length, muscle, and femininity in this young female. She will make a nice junior project and a great brood cow after she is done in the ring. Sells open.

*Thank you for attending our sale.
A light lunch will be provided.*
