December 6, 2025, La Garita, CO

<b>No.</b>	<b>Category</b>	<b>Average</b>
50	Theart Bred Heifers	\$6,265
84	Campbell Mature Cows	\$5,932
<u>68</u>	<u>10-year-old High Altitude Cows</u>	<u>\$3,085</u>
202	Total Registered Lots	\$5,051
549	High Altitude Commercial Bred Heifers	\$4,150
100	Three-year-old Commercial Cows	\$4,225

**Auctioneer:** Charly Cummings, KS

**Sale Manager:** Allied Genetic Resources, IL

**Representing ASA:** Susan Russell

**Comments:** T-Heart Ranch offered their largest selection from their PAP-tested herd tucked into the snowy Colorado mountains. Load-lots of commercial females were sold from both their Colorado and Oklahoma divisions, and females from their registered division, plus the sale featured Campbell Simmentals' entire mature cowherd.
